Syncron[®] by **ALNIC**
structured panel **LINE**

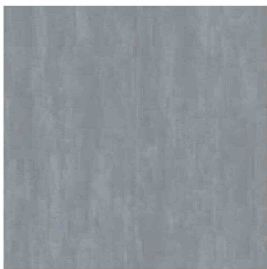

The SYNCRON collection is the result of our vertical integration in manufacturing and control of every aspect in the thermofused melamine board production.

The SYNCRON surface provides realistic texture designs with several options for registered finishes, meaning a complete match between texture and design.

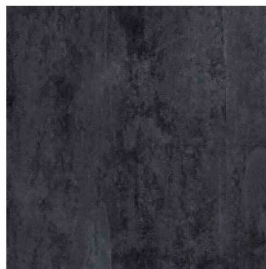

The SYNCRON collection offers a deep and complete range of wood grains, stone, marble, textiles, leather, concrete and oxide finishes that provide a natural and organic feel to any furniture element or commercial project.
